Two bikes are better than one!

One of Thunder Bay's most popular vehicle raffles is now twice as exciting. The 2009 Motors & Muscles raffle, in support of the Thunder Bay Regional Health Sciences Foundation, will award two Harley Davidson motorcycles.

"Raffle tickets make a perfect stocking stuffer," says John Trevisanutto, Motors & Muscles Chair. (Just ask last year's first-prize winner, Ryan Remenda. He found his winning ticket in his stocking last Christmas morning.) "Not only does the recipient receive excellent odds to win a Harley or other great prizes, but we all benefit from improved cardiac care," adds Trevisanutto. 100% of the proceeds remain in Northwestern Ontario to support excellence in cardiac care through the purchase of medical equipment, technology, treatment programs and education and awareness.

Only 600 Motors & Muscles Raffle tickets are available at \$100 each. As of December 8, 2008, tickets will be available at the Health Sciences Foundation, both Harley Davidson locations, Half-Way Motors and Folino's Superette. Early bird prizes of \$250 each will be drawn on January 16 and April 17, 2009. All other prizes, including the grand prize 2009 Harley Davidson Dyna Street Bob (retail value \$17,350) and the second prize 2009 Harley Davidson Sportster (retail value \$9,893), will be drawn at the Motors & Muscles event. The action-packed Motors & Muscles event, scheduled for August 22, 2009, is generously sponsored by Thunder Bay Insurance.
