Making Hope Possible

We've all been touched by cancer.

Perhaps you've seen a friend or loved one struggle with the fear that cancer brings. Or, perhaps, you have had your own journey with the disease and know the range of emotions first hand.

"Thank you to the staff at the TBayTel Tamarack House for making my stay so easy. You are all so kind and friendly. You make a person feel right at home. I tell everyone how great you are and how fantastic Tamarack House is!"

I. Mitchell
Kenora, Ontario

The Northern Cancer Fund

The Northern Cancer Fund raises funds that are 100% dedicated to supporting excellence in cancer care in Northwestern Ontario.

Your donation funds patient care and education and awareness in our region. With your help, we are building the cancer care program we all deserve.

You can bring Hope to the lives of cancer patients in Northwestern Ontario.

Through your donation to the Northern Cancer Research Foundation (NCRF) and now the Northern Cancer Fund, you have helped thousands of cancer patients in Thunder Bay and across Northwestern Ontario get the closer-to-home care they need. This includes innovative programs like The Linda Buchan Centre for Breast Screening & Assessment, the TBayTel Tamarack House and smoking cessation programs for patients.

We are proud to say 100% of your donation stays in Northwestern Ontario.

Your donation to the Northern Cancer Fund will continue to support our local cancer programs and help develop new and cutting-edge treatments. You'll also help promote education and screening to help even more people detect this disease earlier. Early detection saves lives.

Please give what you can today. Together, we are Making Hope Possible.

"My heartfelt thanks to the doctors, nurses and receptionists for the great care I received during my operation, radiation therapy and chemotherapy. I have deep appreciation and respect for all healthcare workers. I applaud them!"

L. Goodwin
